I'm on it! Your execution ID is 5772d2110a84b440c5e78091 (details available at <https://chatops/#/history/5>)

@arma: Service restart `nginx` on `chatops,web` host(s):

```
localhost | SUCCESS => {  
  "changed": true,  
  "name": "nginx",  
  "state": "started"
```
